

Basketball Rules

Premier offers TEAM ONLY leagues at this point.
The following rules are specific to Premier Sportsplex.

In some leagues, age divisions will be separated:

- NBA Division: Highly competitive and experienced teams
- NCAA Division: Newly formed or developing community teams
League administrators reserve the right to place a team in the proper division.
** Determination will be made at entry deadline as to whether a division will make.

All Premier leagues will be grade based only.

- Our purpose is to allow all eligible players to play with their current grade or higher if so desired. **Even if grade eligible, no player may play in a division where that player is more than one year older than the appropriate age for that division.**
- For determining eligibility only, the appropriate ages are as follows:

1/2 Grade/7 and 8 years	7th Grade/ 13 years
3rd Grade/9 years	8th grade 14 years
4th Grade/10 years	9th-10th grade/ 16 years
5th Grade/11 years	11th-12th grade/ 18 years.
6th Grade/12 years	
- The age determining date for applying the maximum age rule is September 1, 2013. For example, a 7th grader who turned 14 before September 1, 2013 is not eligible to play in the 7th grade division. This will allow all players who are eligible to play on grade level with their school team (UIL) to also play on that level in the Premier Leagues.
- A player may NOT play on two (2) teams in the same age division, however may play on another team in a different age division. No scheduling consideration will be made for the second team.
