CARDIO-VASCULAR

Step & Multi Step
This is the workout that revolutionized fitness. Total body benefits beyond cardio (just ask your muscles the next day!)

Zumba®
Exotic rhythms set to high-energy Latin and international beats. There's no other fitness class like a Zumba Fitness-Party. It's easy to do, effective and totally exhilarating...before you know it you will have Zumba friends, a fit body and more energy than ever!

CARDIO-VASCULAR

Boxing
is not just an arm workout! When done properly, is a full body workout- legs, core, back, shoulders, and arms as well as a cardiovascular workout. Participants will use real boxing bags to enhance this workout experience. Gloves are encouraged but not required.

WEIGHT TRAINING

Power Pump
Change happens in this group weight lifting class. Great music, great exercises, and a total body workout for awesome results.

Circuit Stations
Targets strength building and muscular endurance. Stations are designed to target one area and exercise over a 1 ½ minute intervals.

MUSCLE & BODY TONING

Pilates Stretch
A perfect way to end your day. Pilates is known for helping people develop both strength and flexibility. Emphasizing the strength aspect of Pilates, this class will relax you as well as add strength and flexibility training to your workout.

MELT
This full-body method of self-care can be customized to your particular needs – from improving performance and decreasing the risk of repetitive stress injuries to eliminating chronic pain, regardless of what's causing your pain in the first place.

POUND
The world's first cardio jam session inspired by the infectious, energizing and sweat-dripping fun of playing the drums. Only 10 spots!

SENIOR ADULT CLASSES

Silver Sneakers®
You have fun while moving to music and doing a variety of exercises designed to increase muscular strength, range of motion and activity for daily living.

Silver&Fit® Excel is designed for the active, athletic older adult who is looking for a challenging workout. The exercises are freestanding and involve more complex movements for advanced fitness levels.

Silver Strength
Focuses on exercises to help maintain stability for daily living. Adds strength training to your workout. Different muscle groups each workout. Uses weights
